The billboard features a central dark blue panel with a circular logo of a palm tree and dates. Below the logo, the text "Dates and Palms" is written in a gold, serif font. To the left of the central panel, there is a purple jar labeled "BCENT" and a small orange jar labeled "TROPICAL RUSH". To the right, there are three larger jars: a blue one labeled "BOOST & NOSH", a green one labeled "TROPICAL RUSH", and an orange one labeled "ENERGIZE & NOSH". Each jar has a matching colored band with the brand logo and product name. The background of the billboard is a light-colored wall with a wooden floor at the bottom.
